

Red Bull 400 Copper Peak Parking Plan

Parking and shuttle information kiosks

- Intersection of Copper Peak Road and Black River Road (opens at 7:00am)
- Black River Road at the Narrows gravel pit 2.5 miles south of the Copper Peak Ski Flying Hill (opens at 9:30am)

On-site parking

Opens at 7:00

*We only have spectator parking on site for those travelling by ATV/side by side. Regular spectator parking is off-site – see information below

**An internal parking shuttle will be available as well as an athlete shuttle from the bottom of the elevator to the chalet as an alternative to the chairlift

Athletes (and all family/friends in the athlete car)

- As directed within the Red Bull event site
- Please show your **athlete wristband** or let the parking controller know that you are an athlete and give them your name to check our list.

Staff/Volunteer

- As directed within the Red Bull 400 site
- Please show your **volunteer wristband or lanyard identification badge** or let the parking controller know that you are staff/volunteer and give them your name to check our list

Disabled

- Handicapped parking is reserved near the Copper Peak chalet
- Please have your **Handicap Parking Pass visible**

Media

- Media parking is reserved near the Copper Peak chalet
- Let the parking controller know that you are registered media and give them your name to check our list. You will be provided with a venue parking pass.

VIP

- VIP parking is reserved near the Copper Peak chalet
- Please show your **VIP wristband** or let the parking controller know that you are a VIP and give them your name to check our list
- VIP are allowed one guest (if you have questions, please contact Kassi Huotari 906-364-5374)

Spectator ATV/Side by Side

- As directed within the Red Bull event site – please park in identified ATV/Side by Side parking areas only

Off-site parking and free shuttle service for Spectators

Opens at 9:30

- Spectator parking is located at “the narrows” (a gravel pit 2.5 mile before Copper Peak)
- Shuttles are free and take 10 minutes
- Shuttle departures are every 10 minutes
- We have a capacity to move 450 passengers per hour to and from the Red Bull event site
- Locations for overflow parking have been identified if needed
